

I personally benefit from listening to XM Satellite Radio and its traffic and weather channels! I enjoy this convenient service that I PAY FOR and no government agency should not try to decide what I hear for me! I pay for this service and I WOULD LIKE TO URGE THE FCC TO REJECT THE NAB'S PETITION 04-160!!!!!!! Thank you for your time and I hope that your decision is easy for you in that you will continue to allow XM and other Satellite Radio Companies to provide convenient and harmless services to their customers!!!

Sincerely,
